**To:** Honorable Board of Supervisors, Yuba County  
**From:** Dennis Pooler, Agricultural Commissioner  
**Subject:** Approve the Agreement for Consultant Services and Authorize  
Chairman of the Board to sign the Agreement  
**Date:** July 5, 2005

## **Recommendation:**

Approve Agreement for Consultant Services for the Yuba Watershed Protection and Fire Safe Council and authorize the Chairman of the Board of Supervisors to sign the Agreement.

## **Background:**

The Agreement for Consultant Services for the Yuba Watershed Protection and Fire Safe being presented to the Board today is the culmination of the approval process for the Secure Rural Schools and Community Self-Determination Act of 2000 (HR2389) Title III projects previously approved by the Board.

## **Discussion:**

Approval of this Agreement will implement the project that will provide the funding for the continuing services of the currently contracted Fire Safe Council Coordinator. This will allow continued fire education and planning to occur in the high fire risk areas of Yuba County.

## **Fiscal Impact:**

This project is funded by HR2389 funds already on deposit with the Yuba County Auditor Controller and requires no County General Funds.

## **Committee Action:**

This item is being brought directly to the Board as the project to be implemented by approving this Agreement has already gone through the Public Hearing Process and was previously approved by the Protective Inspection Committee and the Board of Supervisors.
