KEVIN ROUSH
ASSISTANT
AGRICULTURAL COMMISSIONER
DIRECTOR OF WEIGHTS & MEASURES

To: Honorable Board of Supervisors, Yuba County
From: Louie B. Mendoza Jr., Agricultural Commissioner
Subject: Approve the Agreement for Consultant Services and Authorize
Chairman of the Board to sign the Agreement
Date: April 23, 2009

Recommendation:

Approve Agreement for Consultant Services for the Yuba Watershed Protection and Fire Safe Council and authorize the Chairman of the Board of Supervisors to sign the Agreement.

Background:

The Board has approved this Agreement for Consultant Services for the Yuba Watershed Protection and Fire Safe for the past three years. This is a continuation of the Agreement for Fiscal Year 2009-2010 and provides for the services of a Fire Safe Coordinator. In a separate action (April 21, 2009) the Board of Supervisors approved the Fire Safe Coordinator as a Title III project under the Secure Rural Schools and Community Self-Determination Act of 2000 (HR2389).

Discussion:

Approval of this Agreement will provide for the continuing services of the currently contracted Fire Safe Council Coordinator. This will allow continued fire education and planning to occur in high fire risk areas of Yuba County for fiscal year 2009-10.

Fiscal Impact:

This project is funded by Title III funds under the Secure Rural Schools and Community Self-Determination Act of 2000 (HR2389) which are already on deposit with the Yuba County Auditor Controller and requires no County General Funds.

Committee Action:

This item is being brought directly to the Board of Supervisors as the project to be implemented is a continuation of an existing Agreement. The Board of Supervisors has approved this project as a Title III project on April 21, 2009 and by approving this agreement will fulfill that project goal.
