Dear Mr. Vasquez:

Clerk/Board of Supervisors

Merit System Services (MSS) has completed an onsite compliance review of the County of Yuba's personnel system. The compliance review was conducted under the authority of Government Code Section 19802 and related provisions of the California Administrative Code titled Local Agency Personnel Standards (LAPS). The County of Yuba, like other approved local agencies, must comply with these standards to receive State and Federal funding for its Social Services and Child Support Services programs.

The County of Yuba operates a sound personnel system and is full compliance with the LAPS standards, Chapter 1.

We appreciate the cooperation extended to the review team and the County's responsiveness in addressing questions. Please call me at 916-471-3402 if you have any questions.

Sincerely,

Lisa Conner
